On October 15, 2003, a course on Hazard Mitigation Planning will be offered. It is free to attend and will discuss items related to multi-jurisdictional planning under the Disaster Mitigation Act of 2000. If you are interested in attending this course, please let me know.

We are also trying to schedule a golf tournament. If you are interested in playing in our third annual golf tournament, please call Randy Wahlen at 942-7552 to register for the tournament. More information on the golf tournament will be coming.

This conference will be a great opportunity to learn more about managing the urban floodplain, as well as exchanging information with each other.

We look forward to seeing you at the conference.

Sincerely,

Judy Watanabe
